**Frame** - The frame is made principally from hardwood with foam padding and hessian. Serpentine no sag springs are used in the seating area with elastic webbing and foam used in the back area.

**Cushions** - The back cushions are filled with high quality Wellman fibre and the seat cushions have foam centres with a high density Dacron wrap. Two large and two small complimentary scatter cushions included with all sofas. A bolster is also included with each large sofa.

**Trim** - Fully covered seat platform. Scroll on base. Cord or self-piping variations. Contrast fabric option.

**Leg** - Turned legs in mahogany or pine finish with brass castors. Turned leg variation without castor is also available.

**Options** - Arm caps. Additional scatter cushions. Alternative cushion fillings to special order. Customer's own material welcomed.
